“Why did I get the COVID-19 vaccine?”

“To protect my friends, family, and future!”

Children and adolescents, age 12 years and older, are now eligible for the free COVID-19 Vaccine!

95% Effective | FDA Authorized | Available at No Cost

For help finding a vaccination site, use the QR code below to find your local school-based health center’s contact information and summer hours!

Or, visit Michigan.gov/COVIDVaccine or call their COVID-19 hotline at 888-535-6136.
