If you need a form, we will send you one in the next 3 months.

HONOR COMMUNITY HEALTH

Dear Honor Community Health Patients,

The COVID-19 Public Health Emergency is going to be coming to an end. If you have Medicaid for your health insurance coverage you will need to act. Starting in January of 2023, Michigan will restart Medicaid eligibility renewals. This means that you will have to submit information to keep your benefits.

Things you will need to do:

- Make sure your contact information is up to date on Michigan.gov/MIbridges.
- Check your mail or text messages for a letter. This letter will not be sent until the public health emergency has ended.
- Respond to any letter sent to you regarding enrollment within 30 of receiving the letter.

Honor Community Health has staff members available to assist you in applying or re-applying for benefits. If you have or need Medicaid insurance coverage and would like additional help to enroll for these benefits, please contact (248) 724-7600. You can also log onto Michigan.gov/MIbridges.

- Contacting patient from every postcard returned undeliverable to obtain updated information
- Staff engagement through weekly luncheon contest between sites
- Messaging will shift as patient redetermination needs change but we will keep it consistent with CMS/MPCA recommendations

- Making a priority to obtain emergency contact information
- In the long-term we are updating our real-time insurance verifications
- Making more referrals to CHWs for assistance

Monitoring

- Phase One Red Flags:
 - The number of update cards received from patients
- Phase Two Red Flags:
 - Daily number of patients coming in for assistance with CHW or through the walk-in center.
